Vermicompost Internship

Term: Spring and/or summer semester
Commitment: 3+ hours per week
This is an unpaid internship, although college credit is available

RESPONSIBILITIES: Primary “Worm Caretaker”

- Visit the worm bin at the greenhouse once a week
  - Observe the progress of the worm bin
  - Feed the worms if needed
- Learn the compost/vermicompost process (large and small scale)
- Lead monthly vermicompost workshops for the community
- Represent Hillview at the farmers market at least once per semester
- Visit schools and child care centers to teach about vermicompost

If you are interested please send your resume to Natalie Kostman at greenhouse@hillviewwuac.org.
